

“ Tamarack, the final collection of apartments at Dayanee Springs will be released for sale soon. To register call 604.552.3003 or visit www.polyhomes.com ”

FINAL OFFERING DAYANEE SPRINGS

Six years ago, Polygon put an ambitious plan in motion to create a landmark residential neighbourhood at the base of Westwood Plateau. Now one of the most sought-after master-planned communities in Coquitlam, Tamarack will be the final collection of apartment homes offered at Dayanee Springs.

Tamarack features one and two bedroom apartments with Whistler-inspired accents such as stone and heavy timber, reminiscent of an idyllic West Coast retreat. Interiors are contemporary with great open plan layouts complemented by laminate flooring and kitchens are perfect for entertaining with bar stools or dining nooks, granite counters and stainless steel appliances.

Perhaps one of the best parts of living in a master-planned community such as this one, is that

every resident will benefit from membership to The Timbers Club, an exclusive clubhouse with over 7,500 Sq. ft. of resort-inspired amenities.

Situated at the base of Coquitlam's Westwood Plateau, Tamarack offers the perfect balance between urban and natural amenities. Surrounded in a mix of hiking trails and green spaces, residents enjoy a natural setting while still being within walking distance from the many dining and shopping opportunities offered by Coquitlam Town Centre. With views of majestic Mount Baker, surroundings of mature forest, local creeks and parks it's easy to understand what sets Dayanee Springs apart. Tamarack, the final collection of apartments available at Dayanee Springs will be released for sale soon. To register call 604.552.3003 or visit www.polyhomes.com
