Part of the Central Park Village community on Gladwin Road in Abbotsford, Hudson's Loft 1 is the first phase of this master-planned 9.5-acre neighbourhood. Hudson's Loft homes range from \$99,900 to \$269,900, with a special down payment plan available to make the homes accessible for every buyer. This first phase offers a diverse selection of layouts, each tailored to the buyer's needs. Garden terrace condos cater to green thumbs. The flats on the second floor, and the lofts on the third and fourth floors are perfect for entry level condo buyers, young families and downsizers. The penthouse homes on the 5th & 6th floors are ideal for those who want to enjoy a little sunshine on their up to 500 sqft rooftop deck.

No matter the floorplan, home interiors were designed with progressive space plans and careful attention to detail, which can be experienced in the two beautiful 2-level showhomes that are on display at the presentation centre. An urban village with upscale style and built-in shops, fresh-food markets and restaurants. Welcome to Central Park Village: the new heart of Abbotsford.
