Toll Free Numbers

We've all faced the frustration our pinche telephone com-
pany causes because they block American toll free num-
bers dialed from here because the company has no way
of getting their pound of centavos out of the call. But now
there is a way to reach these numbers. Follow the direc-
tions below, they are different for each toll free prefix

For 800 numbers dial 001 880, then the number
For 866 numbers dial 001 883 then the number
For 877 numbers dial 001 882 then the number

A KITCHEN NAMED DESIRE

A Thermador kitchen inspires passion, ignites creativity and stirs the soul of those with a true love for fine cooking. Perhaps it's our unique style. Or our classic American craftsmanship. It could be the state-of-the-art functionality of products like new Freedom Collection refrigeration system, featuring customizable columns for the ultimate design flexibility. Whatever the reason, the attraction is undeniable. Thermador—empowering the kitchen enthusiast for 75 years.
