About Us The Pixilink story

Founded in 2003 by Varinder Kainth, Pixilink Solutions has quickly grown from a provider of virtual tour services into Canada's only truly **inclusive, one-stop marketing shop** for agents.

Pixilink offers a comprehensive range of on-line and print marketing services for the real estate and vacation rental markets. Pixilink's comprehensive list of services includes virtual tours and streaming movies, as well as websites, brochures and floor plans. Our mission is nothing short of providing the best technology and the most attentive service at affordable, competitive prices.

Pixilink is based in Vancouver, British Columbia, and services clients throughout Lower Mainland, Fraser Valley, Sunshine Coast and Whistler. Pixilink is continually looking for new partners and service providers throughout Canada.

We look forward to hearing from you and to helping you increase your real estate and vacation rental business.
