

# RESORT-STYLE LIVING IN LANGLEY

**R**ed Maple Park by Polygon is a place where every day feels like a holiday. With a beautifully-designed clubhouse Polygon calls “The Maples Club”, centrally located within the community, homeowners enjoy over 8,400 square-feet of resort-style amenities all year round. “It’s great seeing friends and family spending quality time together in the pool or hosting parties in the Great Room, it really gives a sense of community and makes people feel at home here”, says Sales Manager, Margot Bates.

For many residents, membership to this exclusive clubhouse is what sets Red Maple Park above the competition. According to the Pilon-Des Marais’, the private clubhouse “...has a bit of everything: a view of the mountains, a gorgeous swimming pool and whirlpool, a billiard room, and home theatre with great seating...”. And, for rainy days the fitness

studio and indoor park keeps the whole family occupied. With homes ready for move-in this summer, new residents will get to take full advantage of all this club has to offer with summer days spent soaking up the sun by the pool or having a barbecue with friends on the outdoor terrace.

Along with exclusive membership to The Maples Club, new homeowners, and proud new parents Mark and Stacey Vogl, love the open plan layouts offered at Red Maple Park. “It’s great because I can be busy in the kitchen and still see baby Tomas”, says Stacey Vogl. In fact, every two and three bedroom home boasts well-designed layouts, along with contemporary interior design elements and charming Arts-and-Crafts architecture. Generous decks and private, fenced yards are great for summer outdoor entertaining. And, the location in the heart of the Willoughby neighbourhood is second to none with everything you need from parks and

shopping, to the best local schools.

With its prime location, inspiring architecture and interior design, and membership to the impressive amenity centre, it is no surprise Red Maple Park has been so popular with young professionals and families. And, with the provincial government’s recent announcement of a new first-time homebuyer bonus worth \$10,000, Polygon says their sales office has been a very busy place.

“Red Maple Park is located in Willoughby, Langley at 7938, 209th Street and open noon to 6pm daily except Friday. For complete details, call 604-888-8699 or visit [www.polyhomes.com](http://www.polyhomes.com). Priced from \$299,900.”
