

# A SURPRISE WEDDING? ONLY AT POLYGON'S RED MAPLE PARK

**W**hen singer-songwriter Delaney Rose and her boyfriend Michael began searching for a West Coast home, they left no stone unturned. "We looked in Chilliwack, Abbotsford, Mission..." she says.

Then they discovered their perfect, three bedroom townhouse in the final phase of homes now selling at Polygon's Red Maple Park in Langley's Willoughby neighbourhood.

Surrounded by trademark Polygon landscaping outside, and furnished with clean modern cabinetry and stainless steel appliances on the inside, Delaney says her new house "isn't just a place to live - it's a real home."

Best of all? The 8,400 square foot resort-style clubhouse, complete with heated pool, whirlpool, great room with fireplace, fitness centre, mini-movie theatre, and two guest suites.

"I'd call it Five Star accommodation," says the former travel agent. Once she saw the facility, a planned house warming party became a surprise wedding - even for her groom to be. "I did everything but tell him and the guests until a few days before," laughs Delaney. "He was thrilled, and so were our eighty guests!"

"The Maples Club is a huge draw," says Red Maple

Park Sales Manager Margot Bates of the two and three bedroom townhouse community. "We have first time buyers who are planning families, and those with one child and another on the way. The pool is perfect for them. For adults, the fitness centre and whirlpool lets you wind down from a busy day in a facility that feels like a resort!"

Polygon's Red Maple Park caters to individual lifestyles, with many homes offering a raised, fenced yard off the main level that is especially attractive to pet owners. Stores, restaurants and cafes are nearby to create a superior lifestyle. Elementary schools and day care facilities are only blocks away.

For Phase IV, the newly renovated display homes showcase brand new finishes only available in the final phase, including two fresh new colour schemes, antique oak or high-gloss white flat-panel cabinetry, polished quartz countertops and sleek new wood laminate flooring for a modern look.

Priced from \$289,900, the final phase of two and three bedroom townhouses are now selling at 7938 209th Street, Langley, from 12 to 5 pm every day except Friday.

Meanwhile, in their new Red Maple Park townhome, the newlyweds couldn't be happier. "It was the perfect way for us to start our new life here," says Delaney.
