

ESCAPE TO HIGHER GROUND: Tamarack at Dayanee Springs

Two-bedrooms priced from \$289,900 and a promotion offering payments from \$888/month!*

Dayanee Springs, Polygon's sought-after master-planned community at the base of Coquitlam's Westwood Plateau, presents its final collection of Whistler-inspired apartment homes: Tamarack. Dayanee Springs has the feel of a mountain village retreat, yet it's just minutes from all the great urban amenities and transportation connections of Coquitlam's town centre.

This collection of two-bedroom homes offers contemporary interiors with some showcasing expansive views over Town Centre Park and beyond. Rich wood laminate flooring in living areas, gourmet kitchens, and spa-inspired bathrooms ensure

that your residence is a place you look forward to coming home to, and, in this great setting, feels like a resort-style retreat.

Dayanee Springs' residents enjoy exclusive access to the Timbers Club, a private clubhouse featuring over 7,500 square feet of resort-inspired amenities. The outdoor pool and spa along with the fitness centre will inspire healthy living while the theatre room and great room offer endless entertainment possibilities.

Homes at Tamarack have been thoughtfully designed to capture the essence of mountain living with west-coast architecture blending with the natural setting. Picture natural timber elements, rugged stone, and cedar shingle accents.

Appealing to first-time buyers as well as those ready to downsize, Tamarack's creative floor plans maximize living space and the spacious balconies and ground-floor patios (some with private yards) offer room for outdoor living.

Tamarack is brought to you by Polygon, one of the most established and well-respected homebuilders in B.C. Polygon has built thousands of homes in Metro Vancouver, gaining the trust of families with its emphasis on quality design, sound construction, and exceptional customer service.

"Tamarack is the final building in this beautiful master-planned community and the last opportunity to purchase a new

home here," said Sales Manager Theresa Liljedahl, "We've especially noticed a lot of urgency with first-time buyers wanting to take advantage of the \$10,000 government bonus which expires on March 31st. All homes at Tamarack qualify for this incentive so it's a great opportunity for them to get into the market."

The Tamarack presentation centre - featuring three stylish display homes - is located at 3156 Dayanee Springs Blvd. in Coquitlam and is open daily (except Fridays) from noon to 6 p.m. Check out the website: www.polyhomes.com, call 604-552-3003, or email tamarack@polyhomes.com for more information.
