

TRIBRINK HITS HOME RUNS WITH CENTRE FIELD AND LINDY'S CROSSING

SEE PHOTOS WITH

Chilliwack offers many amenities that make it one of the most desirable places to live in the Fraser Valley. Now Tribrink Contracting offers two more reasons for homebuyers to relocate to this peaceful community: townhome living at Centre Field and beautiful single-family homes at Lindy's Crossing. Whether you're looking for your first home, are ready to move to something more upscale, or are considering downsizing, these homes offer great possibilities.

"Starting at \$242,900, Centre Field's townhomes represent an awe-

some value," said realtor Corney Les. "These are quality-built three-bedroom homes around 1,800 square feet. And, talk about location... they're close to key retailers like Wal-Mart and Home Depot, as well as major services including our hospital, leisure centre and arts centre. Baseball, soccer and football fields are all nearby as is an ice arena."

Centre Field's 29 classic west coast style residences feature laminate flooring and crown moulding on the main level, generous-sized kitchens with maple Shaker cabinetry and stainless steel appliances, and large covered balconies with mountain views for year-round entertaining. Best of all, several of the homes are now move-in ready.

Corney recommends buyers looking for a home with true "Wow!" factor

turn their attention to the six fabulous homes underway at Lindy's Crossing, on the former CFB lands and within blocks of the popular Garrison Crossing community.

"These six exclusive homes are also close to the Vedder River trails and all kinds of outdoor opportunities like walking to biking, running and fishing," said Corney. "Three of the homes are already sold with prices for the remaining 3,100- to 3,700-square-foot homes beginning at \$469,900."

The Lindy's Crossing homes are three- and four-bedrooms on two levels with fully finished basements that feature separate entries. They offer exceptional fit and finish adjacent to the Garrison Crossing developments.

Tribrink Contracting has built some 600 homes in the Chilliwack area over

the past 10 years including custom single-family dwellings, townhouses and apartments. "Tribrink is known for its quality finishes and has a very good reputation," added Corney. "Every homeowner bar none who purchases a Tribrink home is very satisfied with their choice."

The Lindy's Crossing show home is open Saturdays from 1 to 4 p.m. at 5488 Chinook Street, just off Keith Wilson Road. To view the Centre Field display home, visit #5 - 45025 Wolfe Road Mondays and Wednesdays between 2 and 4 p.m. or Saturdays from 1 to 4 p.m. Call Corney anytime for your own private viewing.
