

CleanAir

S E R V I C E S

Clean your air before it takes over your health.

**Home Owners
Realtors
Renovators
Strata Boards
Building Managers**

100% All Natural Process

No sprays or harmful chemicals. We use the latest O3 Air Purification Technology to break down contaminants using a safe, non-hazardous method. We service your need for a permanent, odour free, bacteria free clean living space using an all natural and highly effective air purification and sterilization process.
