Juwai Agent Summit: Best platform to expand your network in China

We're well into bookings for our next [Juwai China Agent Summit](#) happening this 6 November at the Swissotel Grand Shanghai – our final Agent-to-Agent event for 2015!

At the event, we will bring over 50 international agents to China to learn how to work with Chinese buyers, as well as provide them the chance to network and forge connections with over 100 select local Chinese agents.

Our last Summit saw 55 international agents from 10 countries flying into China to successfully network with 150 Chinese agents. Read the full recap of the last Summit [here](#).

"Not only were the speakers very informative but being able to liaise with Chinese agents was essential to expand into the Chinese market."
